

Epee Coach position in California, USA

Full-Time Position

Start Date:

Open, preferably immediately

Job Description:

Academy of Fencing Masters (AFM) in California is looking for a full-time epee coach. We are in search of a qualified coach, ideally with some coaching experience in the United States. A new coach will join a dynamic and vibrant community of coaching team and fencing students and families.

Responsibilities:

A new coach will be responsible for running group classes, providing private lessons, running specialized clinics and camps, teach and help in outreach programs, communicating with fencers about their goals and achievements as well as providing individualized feedback, and strip coach fencers at competitions, from local and regional to national levels.

Qualifications:

Certified fencing coach with experience in taking young kids to high competitive level.

Must have a relevant coaching education and/or certification. English verbal communication at least at Intermediate level.

Retiring international level fencers with initial coaching experience in the United States are welcome to apply as well.

Application Instructions:

If you are interested in exploring this position please send an email to irina@academyoffencingmasters.com

Please include:

- Cover Letter with a brief introduction to yourself
- A detailed resume that includes your personal athletic background and results, education and your coaching achievements.

Additional Information about AFM:

In the current season of 2018-2019 AFM has a great success of its program, which resulted in many achievements on a local, regional, national and international level including top 8 in Cadets Women's Epee World Cup, and Silver in the Cadets Pan-American Championship. After the Summer Nationals in Columbus, Ohio 2019 [AFM is among the top clubs in the USA in the medal count](https://www.usafencing.org/2019-sn-club-medal-count). Among the 134 American and Canadian fencing clubs that took home medals, AFM's final rank is number six in the USA.
