Information Letter no. 36-2017

Dear Member Federations,

According to the FIE Rules, a Refereeing Examination for the B category for Europeans in one single weapon can only be organized once a year.

As allowed by the current procedures, EFC has the ability to request permission from the Executive Committee of the FIE to conduct this type of examination. Additional refereeing exams must be linked to a Junior World Cup competition, related to the weapon concerned.

In view of the above if you are interested in organizing an examination in this year I kindly request the following:

- A full application that includes all relevant details such as (date, place, weapon);
- Any further information needed that may influence the referee's exam during the organization of Junior World Cup;
- That all the requested information is received by The General Secretariat by October 1st.

I would also like to remind you that only candidates who have already received "C" category licenses can be nominated to participate in such examination.

For your convenience I have attached the actual list of referees with "C" licenses to this letter.

With best regards,

Jacek Słupski
Secretary General
