## Information Letter no. 34-2017

Dear Member Federations,

The Congress of the FIE which will be held in Dubai is organized during the high season. As you all know the hotel room for the nights of 24 and 25 November 2017 will be paid by the FIE and also the plane ticket for the federation's first delegate will be reimbursed.

That is why we kindly ask all Member Federations to arrange flight tickets for their representatives as quickly as possible to ensure that your reservations will be made in an appropriate period and also to avoid high ticket prices.

As soon as the ticket has been purchased I request all of you to send me the information about the ticket costs for reimbursement which will be carried out by our Treasurer Nuala McGarrity.

Best regards,

**Jacek Słupski**  
**Secretary General**
