## Information Letter no. 33-2017

Dear Member Federations,

The President of the EFC has scheduled the first meeting of the newly elected EFC COMEX on 6-8 October, 2017 in Moscow. In accordance with p. 4.4.4 of the EFC Statutes all Member Federations should present their candidates for the different Commissions/Councils.

Names of the candidates are to be submitted in writing to the General Secretariat at least two weeks before the date of the above-mentioned meeting. It means that each application must be registered at the General Secretariat no later than September 22, 2017 until midnight (Central European Time).

However, to be well prepared for the first COMEX meeting I am respectfully asking you to send your proposals before September 14<sup>th</sup>. Please find attached hereto the "EFC candidate form", which is to be completed and duly verified on behalf of your National Federation.

We understand that according to the letter 21-2017, that had been previously circulated from the General Secretariat, most of you have already submitted their applications.

I have received all candidates that had been sent to our ex-Secretary General, Max Geuter. Nevertheless in accordance with the Statutes, all the EFC member-federations still can submit applications – to either adjust or change the list according to the deadline indicated above.

Best regards,

**Jacek Słupski**  
Secretary General
