**Information Letter no. 29-2017**

Dear Member Federations,

Please receive in attachment the information from the Elective Congress on 11.06.2017 in Tbilisi (GEO). There was only one basic round needed to elect the 9 possible candidates. The president of the Athletes Commission, who will be from now on a member with voting rights in the COMEX, will be determined during this European Championships and you will be informed later.

We also decided on the final version of our Statutes, you will shortly find those on our website for downloading. At the moment there are small problems on our server and uploading is delayed.

Best regards,

*Max Geuter*
