Information Letter no. 21-2017

Dear Member Federations,

we just finished with receiving the candidatures for the next EFC/CEE COMEX and can proudly say that the deadline was respected; we will have 17 candidates!

Looking at last year's decision about our restructured statutes I have to confess that I am a little late with also asking you for candidates for the next Athletes Commission according article 5.4 which is a little different in this year than it will be in the future.

Please find attached a form in case you wish to present a candidate for this commission and please send this form back until 20.04.2017. We will check these documents during the European U-23 Championships in Minsk and you will receive the final list of all candidates according article 4.5.3 one month before the Tbilisi Championships.

At the same time I also send you the form for all the other commissions and councils and these candidature forms have to be returned to our office until 15.05.2017.

Please accept my apologies for this delayed information.

Best regards,

Max Geuter
