Dear Member Federations,

the EFC / CEE received from the *Academie d'Armes Internationale* the request to publish the information about their championships for fencing masters/coaches which will be held in June/July in Strasbourg.

We certainly follow this demand, hoping that many of our European fencing masters will participate at this occasion.

Please find as a separate information a forwarded email from this organisation or contact the AAI directly under

or visit their website [www.aai.world](http://www.aai.world)

With best regards,
