### Information Letter no. 13-2017

Dear Member Federation,

As the Minsk website will be updated soon we inform you today about the selected referees for this U-23 championship. All nominated referees have received in the meantime their invitation letter, and some of them have already answered. We are waiting for their answers.

Our next step is to invite you to nominate referees for the last championship of this year, the European Senior Championships in Tbilisi (GEO). Attached you find our standard document with the necessary details, and we kindly ask you to answer as soon as possible with your proposed referees. Please note that we prefer to have referees who can work in two weapons, and don't forget that we also have to select some female referees. The **deadline** for proposing candidates is

**Monday 20.03.2017**

For your additional information we add the results from the first part of the Plovdiv championships, the cadets individual and team events.

Best regards from Plovdiv,

Max Geuter
