Information Letter no. 12-2017

Dear Member Federation,

We just want to inform you again that the EFC/CEE has an insurance, similar like the FIE, with ACE Assistance (former MARSH), and we want to update you on a small change which had occurred since 2013. You will notice at the end of the attached summary an important note in red – please take care of this.

All other details you find on the document.

It would be advisable that you inform your persons in the federation who might be in need of this insurance once they are travelling for EFC. Sometimes you also have to provide an insurance when you are applying for a visa.

But we also hope that you never need this insurance!!

Best regards,

Max Geuter
