Information Letter no. 43-2016

Dear Member Federations,

This last letter to you in 2016 will be with regard to the second European Championships in 2017 which will be held in Minsk (BLR) for our U-23 event, and which will be organised from 20th – 25th April 2017.

We invite you today to propose referees of your federation for this tournament.

To give you more time for proposals than in our last request we would be glad to receive your candidate(s) list until

12.02.2017

And please note that we do not accept proposals after this deadline because the EFC Referees Commission has to decide about the final list of referees immediately in order to give also some time for those who need a visa to go to Belarus.

And in February we will also ask you for referees for the Tbilisi 2017 Senior Championships.

Finally receive our best wishes for a successful season in 2017.

Best regards,
Max Geuter
