Information Letter no. 37-2016

Dear Member Federations,

We have an urgent request from the FIE and are kindly asking you to answer to this request within this week. Here are the details:

The FIE has received a questionnaire from the IOC related to program changes for Tokyo 2020. Within the frame of this questionnaire the FIE is formally applying for the two additional sets of medals.

One of the questions is “the number of National Federations which organise National Championships in Men’s foil Team and Women’s Epée Team.

Please answer whether your federation is organising these championships in your country. We will put your answers into a spread sheet and will answer the FIE accordingly. It goes without saying that this is a matter we are all interested to solve in our favour. So please reply at once. Thank you for your cooperation.

Best regards,

Max Geuter
