Information Letter no. 34-2016

Dear Member Federations,

this information letter asks for your support to update our website.

Many times we are asked for details of our federations and cannot find the requested information as every one of you has given us only what you thought is enough to put into the relevant columns.

Therefore we kindly ask you to go to our website www.eurofencing.info and click in the headline on "NATIONS". In the list of all nations click on your federation and check what you gave us in the past and if this is still up-to-date.

Please give us any useful update, such as president, general secretary or vice president of your federation. Photos of those persons are welcome. Add email address and website of your federation to the page. If you are not sure what to send, please check with the site of Denmark as an example.

When you consider any updates, please send them to our Technical Director and use the following email address: julius.kralik@gmail.com

Many thanks for your cooperation.

Best regards,

Max Genter
