Information Letter no. 32-2016

Dear Member Federations,

We are extremely proud to congratulate the 6 European Federations who succeeded at the Rio Olympic Games to win 21 of 30 medals!!! 9 gold, 7 silver, and 5 bronze medals demonstrated the strength of European fencing. Russia, Hungary, Italy, France, Romania, and Ukraine in this order were the ones who took all this metal back home.

Bravo!

Thanks and congratulations to all the fencers, coaches and accompanying helpers for this superb success. We are certainly proud to send this message to all our members, although you might have witnessed this on TV or by the very informative press releases of the FIE.

Details of all medals you will find on our and on the FIE websites.

With happy regards,

Max Genter
