Information Letter no. 29-2016

Dear Member Federations,

please find attached to this letter the Calendar for the 2016/2017 U-23 Circuit which starts again on the first weekend in October 2016 in Antony (FRA), south of Paris. There are missing some Hungarian city names that will organise the U-23 tournaments and these cities will be named shortly and are then available on our website.

The rules from the previous seasons remain unchanged – but we want to point out that only fencers under 23 years (born on or after January 1st, 1994) are obliged to have the EFC license, whilst older fencers can participate without the license.

We hope that this clarification will motivate some more federations and fencers to consider participating at these competitions and also qualify for the European Championships 2017 in Misk (BLR).

Best regards,

Max Geuter
