Dear Member Federations,

this is an information from our treasurer who announced that the FIE Support for federations who participate at the recent European Senior Championships here in Torun have received the amount of **640,00 €** either by bank transfer or in cash here at the venue.

As the individual championships are over and the team events have started today, we send you already a first document with some results for your information. We also invite you to visit our website and see live results from Torun.

Best regards,
