Information Letter no. 02-2016

Dear Member Federations,

we send you again a document which you should use to give us your proposal for referees to be designated by our Referees Commission for the next European U-23 Championships which will be held in Plovdiv (BUL) from **30.04.-05.05.2016**.

Arrival of the referees has to be on 30th April, participation at the referees seminar is obligatory, departure will be on 6th May.

We want to stress again that we expect to get your nomination of referees who preferably can work in two weapons, and that you also consider female referees.

The Plovdiv Organising Committee will cover all costs for travel, accommodation, visa cost where necessary, and per diem. Any additional costs have to be negotiated after designation of the referee with the organisers in advance. All referees are for the whole period insured by the EFC/CEE and no additional insurance is necessary.

We will accept only proposals on the **attached document**, completely filled out, and under the condition that your proposed referees are available for the indicated period.

The EFC/CEE Referees Commission will decide soon after the below mentioned deadline, so all selected referees will have the opportunity to organise their personal planning accordingly.

Deadline for sending in your proposal to the EFC/CEE Secretariate is

15.02.2016

Best regards,
Max Geuter
