Information Letter no. 30-2015

Dear Member Federations,

1. With reference to our Information Letter no. 36-2014 of 11.08.2014 and its attached document “European Referees 2016” you will receive today with this letter another document which informs you about the EFC/CEE delegates for the various selected competitions of the 2015/2016 Cadet Circuit.

These delegates have the task to perform a seminar prior to the start of the competition and also observe during the event all referees with the intention, to give them a rating, and of course to help them in different situations.

You will notice that besides members of the EFC/CEE Referees Commission also some well known referees are nominated for these assignments. Some competitions, due to low participation in the last season, will not be observed in this season.

All organisers of the CC are invited to assist the observers in every way of needed help and take advantage of this opportunity and their service.

Thank you in advance for your cooperation.

2. There were recently some changes in both the Executive Committee and the Referees Commission.

Due to the appointment of Krisztián Kulcsár (HUN) as FIE Sports Director he resigned from his position as member of the EFC/CEE Executive Committee and as chairman of the wheelchair commission. Taking into consideration the results from the last elections 2013 in Zagreb, David Sakhvadze (GEO) replaced him as member of the COMEX and also take the chair in the wheelchair commission, at the same time will leave as member of the referees commission. This commission was now completed by the nomination of Andrzej Witkowski (POL), a former candidate to this commission.

3. We also want to remind you about the deadline **30.09.2015** to nominate candidates for the 2016 Cadet and Junior Championships in Novi Sad. So far 19 federations have already sent in their proposal. As soon as the referees commission has selected the needed referees for this tournament, we will ask you to nominate referees for the 2016 European U-23 championships in Plovdiv.

4. The FIE has informed you very detailed about your participation at the FIE Congress in Guangzhou (CHN) end of November 2015. Please follow these instructions very carefully to get your visas in time. And also look early for reasonable air fares.
