**Information Letter no. 26-2015**

Dear Member Federations,

please find attached to this letter the Calendar for the 2015/2016 U-23 Circuit which starts on the first weekend in October 2015 in Tata (HUN).

The rules from the previous season remains unchanged – but we want to point out that only fencers under 23 years (born on or after January 1<sup>st</sup>, 1993) are obliged to have the EFC license, whilst older fencers can participate without the license.

We hope that this clarification will motivate more fencers to consider in participating at these competitions and also qualify for the European Championships 2016 in Plovdiv (BUL).

Best regards,

*Max Geuter*
