Information Letter no. 23-2015

URGENT – BAKU again

Dear Member Federations,

Following various questions at our SEMI Commission President we want to precise our previous Information Letter from yesterday and want to put your attention again to the mentioned modified FIE Information Letter no. 7-15 which said clearly that only the epee blades from Leon Paul in V-shape produced 2013-2015 are suspended.

Also note the second part in this FIE letter which also refers to body wires with bayonet connection.

This decision does not only reflect to the upcoming European Games in Baku but also to the World Championships in July in Moscow.

With best regards,

Max Geuter
