Information Letter no. 50-2014

Urgent Modification

Dear Member Federations,

We refer to our Information Letter no. 48-2014 of 19.11.2014.

Please note that the FIE referees examinations will be held from **21 to 23 February 2015**, and **not** as previously indicated 23-25 February.

The observation will follow during the cadet championships from 24th to 26th.

The Maribor organisers could block a hotel for the participants of these seminars and examinations, although there is a big skiing event at the same time and just before we start our European Cadet Championships.

Please inform your candidates accordingly. All other items from above mentioned letter remain unchanged.

Best regards,
Max Geuter
