

## European Fencing Confederation Confédération Européenne d'Esgrime

15.05.2014

### Information Letter no. 28-2014

<b>URGENT</b>
---------------

Dear Member Federations,

according our Statutes Art. 10.2 every member federation “may authorise two (2) delegates to the Congress.

We were informed by the Strasbourg organisers to follow this rule and give them the names of the two persons who will attend the Congress. This is to enable them to prepare individual access cards at the Palace of the Council of Europe.

We therefore kindly ask to send us the following details of the two persons:

**Name, Surname**  
**Nationality**  
**Position in the federation**

We have already received from several federations the confirmation of their participation at the Congress. If they only come with their President, we do not need this above mentioned information. In case a federation is coming with two persons we need to know these requested details. Otherwise there will be no entry permitted.

Please answer soonest possible to enable the organisers to get these access cards.

Best regards,  
Max Geuter
