### III – General and specific rules of Championships

The competitions are organised in **principle according to FIE Rules in force**. However, it should be mentioned the following:

- 1) Name and nationality on the back of fencers for cadets are optional
- 2) National colours - optional
- 3) Video refereeing – will be available
- 4) In a respect of current FIE decision mask with visor is prohibited at foil and epee and from March 1<sup>st</sup>, 2014 also in sabre**
- 5) Conductive bib of the mask for foil is obligatory
- 6) In a respect of special statute of the city of Jerusalem closely connected with the history and traditions of this site there were some requirements and relevant solutions at the organisation of this event.
  - a) On 22<sup>nd</sup> February 2014 will run accreditation and weapon control in Hotel ROYAL. In a view that this hotel and also Hotel RAMADA are located side by side majority of participants will live there and can pass both mentioned procedures without any transport. For delegations accommodated in Hotel

GATE Jerusalem appropriate transport will be organised by organisation committee (OC).

- b) Also all meetings planned for that day will be held in Hotel ROYAL.
- c) Principally the finals will be held in main venue except two evenings.
  - on 28<sup>th</sup> February (MFJ and WSJ) those will run in standard venues at Malha Arena, however, quarterfinals in sabre and semi finals followed by finals in both weapons will be held at Jerusalem University Sport Centre, which is distant up to 5 minutes from Malha Arena by buses offered by organisers
  - on 1<sup>st</sup> of March, all fencers, coaches, accompanying persons and officials will move by busses to Ganei Tikva Sports Centre where whole competitions should run; the organisers will compensate caused inconveniences offering for all transported persons some food along that day.
- d) Detailed instructions concerning procedure at initial weapon control will be issued by EFC SEMI commission.
- e) The EFC will continue the tradition of presenting winners of EFC Cadets Circuit Rankings 2013 – 2014 who will obtain vouchers for purchase of fencing equipment.
- f) Besides accredited delegations members also all others will be allowed to enter venues and follow competitions free of cost. Only security control will check randomly the persons entering the venue.

## 7) ENTRIES.

- a) **For cadet´s individual and team events** the entries have to be made on EFC web site, where only registered fencers in possession of EFC license for season 2013-2014 can be entered.
- b) **For junior´s individual events** the entries have to be made on FIE web site, where only registered fencers in possession of FIE license for season 2013-2014 can be entered.
- c) **For junior´s team events** only teams without members (for example team of "Germany") should be entered on EFC web site because the files with fencers from individual competitions will be used. That procedure allows engaging teams with fencers without EFC license.

## IV – Confirmation of presence and accreditation

- 1) **Final confirmation of participation at individual and team competitions must be done within delivery of accreditation cards (further only AC)**; this proceeding replaces any kind of confirmation of presence at the DT.
- 2) The AC will be distributed only to head of delegations, following possible payment of entry fees and EFC membership fees. Head of delegation will receive nominative AC of athletes + **transferable accreditation cards** according to quota rules, i.e. 50% of participating athletes number without name **marked only by NOC code** of the country. Thus no entry of officials and coaches is needed.

- 3) **Photos of athletes should be either uploaded to EFC web site (for cadets fencers competitions) or to FIE web site for juniors. That differentiation is due to the fact that cadets individual and team events as well as junior team competitions are EFC competitions whilst junior individual competitions are FIE Junior World Cup competitions. Another possibility is sending those photos duly marked by name, country NOC code and competition to take part, to provider of the system of accreditation – company MASK (POL) to the address: [tomasz.malanowski@mask-sport.com](mailto:tomasz.malanowski@mask-sport.com)**
- 4) **The accreditation of fencers must be done not later than the day before concerned competition by 12h00.**

## V – Individual competitions

- 1) **at 13h00** the day before the event
  - a) List of participants by country
  - b) List of participants by EFC rating
- 2) **15h00** is deadline for possible complaints or giving up from competition to be submitted to the DT. No changes will be carried out after deadline.
- 3) **at 16h00** will be posted
  - a) Final version of pools
  - b) Detailed schedule of competitions, pistes and time assignment for the next day
  - c) Formula of the competition
    - on screens and on the wall
    - in boxes of delegations
    - in official hotels (little bit later)
- 4) **Criteria for initial ranking of fencers**
  1. EFC Cadet Circuit ranking / FIE junior ranking
  2. The places of non ranked fencers will be randomly drawn.

## VIII – Information points

The main mean of information will be several plasmas, installed on the venue.

## IX – Results confirmation

- 1) Responsibility lies with the fencers at verifying results of pools and bout sheets of direct elimination in order to control correct registration of results. Several screens and posted documents will allow prompt control of results.
- 2) In order to avoid some mistakes DT will publish results of pools and list of qualified and eliminated fencers after pools. Any complaint should be brought to DT within a deadline of **5 minutes after published results**.
- 3) **No calls by microphone will be used.**

## X - Organisation of direct elimination table
