

European Fencing Confederation Confédération Européenne d'Escrime

17.01.2014

Information Letter no. 05-2014

Dear Member Federations,
please find attached our final version of the EFC Cadet Circuit Calendar with some explanatory comments of our Technical Director:

“Upon ended negotiations with FIE Secretary General and FIE Calendar 2014-2015, approved by FIE Congress in Paris on 30th November 2013, afterwards approved in general lines by EFC Executive Committee on 7th December 2013, Technical Director submitted here attached calendar of cadets competitions with the following notes:

- due to dates of FIE JWC imposed by the FIE it was not possible always to respect agreed rhythm of competitions with space of at least 2 weeks
- another limit consists in the fact that FIE JWC are organised on different weekends for different weapons what results in difficulties at finding suitable dates for EFC CC competitions organised on the same date in different weapons (Budapest, Bratislava). This obstacle is leading to lose a very popular tournament in Goeteborg where both juniors and cadets were fencing on the same weekend with a large number of participants giving high satisfaction to many European federations. The dates for cadets and juniors in Goeteborg are separated upon decision of the FIE.
- previous point is closely linked with main principle adopted by the FIE, which has to be underlined: **no clashes of dates are allowed between same weapon competitions of the FIE JWC and EFC CC**. The consequence is that if FIE JWC in women epee is situated in Montreal (CAN), EFC cannot award on same dates cadets competition in women epee to Goeteborg.

- In the calendar are mentioned also provisional dates of Zonal and World Cadets and Juniors Championships, but they are to be agreed with Maribor 2015 and confirmed by EFC Executive Committee for European Championships, and the FIE has to find an organiser for 2015.

In a view that the presented document is not optimal, some discussion of possible modifications of EFC CC Calendar in the future will be open in Jerusalem during traditional meeting with delegations on 22nd February 2014.”

Please make sure that your delegate for Jerusalem has received the attached calendar and is informed about the above notes.

Best regards,

Max Geuter
