Information Letter no. 01-2014

Dear Member Federations,

to answer requests from various federations we can now inform you about the fees for the European Cadet and Junior Championships in Jerusalem:

Individual competition: 40 EUR
Team competition: 140 EUR
Referee fee for individual participation: 70 EUR

These amounts have to be paid upon arrival at registration or by bank transfer to the organising committee with your registration. **This special site will open soon.**

On behalf of our Treasurer, Nuala McGarrity, I want to put your attention again to our Information Letter no. 38-2013. With this letter, dated 19.12.2013, we had sent you all our Invoice for the 2014 membership fee which is due and has to be paid to our account prior to the start of the European Cadet/Junior Championships. For those federations having problems to transfer the amount we also accept the fee in cash in Jerusalem on 22nd February 2014.

Please note: No starts at these championships will be allowed without having paid the membership fee! If you prefer to pay in Jerusalem, please advise us a.s.a.p. so we can prepare your receipts in advance.

Federations who have paid already should ignore this letter.

Best regards,
Max Geuter
