Information Letter no. 07-2011

European Senior Championships 2011 Sheffield

Dear Member Federations,

This is to inform you that we received answers from a majority of member federations with the answer that they have not yet booked any flights and accomodation for this championship.

The new date, accepted by the Executive Committee, will therefore be as demanded by the organisers

14th July to 19th July 2011.

About the date for the EFC/CEE Congress you will be informed in due time, probably after the European Cadet Championships in Klagenfurt.

Best regards,

Max W.F. Geuter
