Information Letter no. 29-2012

Dear Member Federations,

As we did in the past we want to give you some documentation about the results of the recent Olympic Games 2012 in London and invite you to compare yourself the change in the actual results against Peking 2008.

The two spread sheets in attachment will help you to do your own comparison.

Until today we have not yet received a statistic of the “Grand Prix of Nations”.

With best regards,

Max W.F. Geuter
