Information Letter no. 36-2012

Dear Member Federations,

We will organise the next European Cadet and Junior Championships in Budapest from 26.02. until 07.03.2013.

In order to plan this in good time, we have to establish a list of referees, proposed by your federation, and afterwards searching the agreement of the EFC and FIE Referees Commissions.

Please send us your proposal for Budapest within the next two weeks. We are keeping as **deadline 31 October 2012**. Of course you can propose up to two referees of whom one might be selected for this championship.

Best regards,
Max W.F. Geuter
