Information Letter no. 37-2012

Dear Member Federations,

In recent weeks we had some changes in various European federations due to elections in those countries.

This is the reason to send you an up-to-date list with the names of the Presidents and General Secretaries, changes marked in red.

We want to say thank you to former presidents Alexandre Romankov (BLR), Keith Smith (GBR), and Lydia Czuckermann (SR) for their continuous cooperation.

If there is any need in attached list for corrections, please let us know.

With best regards,

Max Geuter
