Information Letter no. 39-2012

Dear Member Federations,

With regard to our last information we want to let you know that the planned meeting of our Confederation will be held the evening before the Elective Congress. It is envisaged to have this meeting at 18.30 h or 19.00 h until 20.00 h.

President Frantisek Janda has asked the Russian organisers of the Congress to reserve a room in the official hotel Ritz-Carlton, and we are expecting maximum 2 representatives of each federation and kindly ask you to respect this demand.

There will be a note for you at the reception desk indicating which room of the hotel we are using, as we still have no definitive information to forward to you at the moment. We therefore ask you for some patience until Moscow.

Best regards,
Max Geuter
