Information Letter no. 42-2012

Dear Member Federations,

You are certainly all waiting for some news about our next big event, the European Cadet and Junior Championships in Budapest.

Attached you find the programme, prepared by our Technical Director in cooperation with the organisers. In a few days you will be informed about the championship's website where you will find more information about this event.

We take this opportunity also to invite you to encourage your active fencers to publish their photographs on our website. We have at the moment a lot of competitions of the Cadet Circuit and the U-23 tournaments. Looking at the results on our website, we find many, many fencers without their photo. Please help to maximise the appearance of our website.

Best regards,
Max Geuter
