

European Fencing Confederation Confédération Européenne d'Esime

June 20, 2018

Information Letter no. 18-2018

Dear Member Federations,

I would like to inform you the Executive Committee of the European Fencing Confederation accepted the applications from the Italian and Swiss Fencing Federation.

As a consequence, the EFC COMEX decided to admit the circuit cadet cups which will be held in 2018/2019 season as the following:

- Men's épée European Circuit Cadet to the city of **Geneva/ Switzerland** in date of 15-16.09.2018;
- Women's épée European Circuit Cadet to the city of **Pisa/Italy** in date of 29-30.09.2018;

The Swiss Fencing Federation have been the long-standing organizer of the European Circuit Cadet in women's epee category up till now. As a result they got the recognition and they always wish to get the possibility for organizing the European Circuit Cadet in men's epee.

In connection with the acceptance for the application from Italian Fencing Federation, the reason was their desire for the comparable number of epee's competitions.

There you can see the popularity of competitions in epee is still growing and we are pleased to admit the additional events for both Federations.

For your convenience I have attached updated EFC Calendar to this letter.

Best regards,

.....
