Information Letter no. 36 -2018

Dear Member Federations,

Following the Information Letter no. 22-2018 the EFC Referee's Commission proposed and EFC Comex appointed the „**EFC Referee Master List**”.

The main objective of the EFC Referee Master List is improvement of quality of the selected referees – EFC Referees Commission can make a selection of the referees from all nominated countries also if Organizing Committee already hire any referee from abroad. Furthermore the another objective is giving the opportunity for national federations to have second referee from one country in case of need from side of Organizing Committee.

Let me remind you that the selection procedure of referees for EFC Championships the EFC Referee Commission will continue using proposals coming from national federations, but in case received proposals which do not meet needs in concerned weapon of that event, RC will propose to EFC Comex completing selection by referees from *Master List* prepared at beginning of season upon proposals from national federations.

The new procedure will apply from the new 2018/2019 season. Updating of the Master List will be made before the beginning of each new season.

In attachment:

- EFC Master List for season 2018/2019.

Best regards,

.....
