25.10.2013

### Information Letter no. 32-2013

Dear Member Federations,

in less than 4 months we are organising the European Cadets and Juniors Championships in Jerusalem (ISR).

One of the most important issues is to give you enough time to plan your trip and to give you the assurance of the Israel organisers who expressed during the trip of Technical Director Julius Kralik their guarantee for the security of participants of this championships, based on very professional measures giving a hope to have a good and smooth running of competitions, the same way as the visit was organised.

It is very strongly recommended to book flights to Israel already now, or at least as soon as possible for your federation. Prices of flight tickets can dramatically increase if you book late. Many airlines have recently increased their charges for luggage and therefore you should look for adequate offers.

Attached you find the **programme** for the competitions in Jerusalem. By the end of October the organisers will also open a website of the Championships and we will inform you accordingly when we have those news.

Best regards,

Max Geuter
