Information Letter no. 08-2019

Dear Member Federations,

I am very pleased to inform you that we are starting to collect applications concerning organisation of the European Championships in all age categories for 2021 and subsequent years.

For this purpose, we have prepared a new version of application form, which should be duly completed and send back to the General Secretariat.

According to point 6 of the application form, I have prepared two attachments that should be delivered to the EFC after EFC Congress decision entrusting the organisation of a European Championship to your country.

For your convenience I have already attached those two attachments in xls files so that you can get acquainted with them before submitting your application.

If you want Congress to become familiar with your offer this year, please submit the form to the General Secretariat as soon as possible.

We encourage everyone to submit your offers.

Best regards,

.....
Jacek SŁUPSKI
Secretary General
