Dear Member Federations,

I am pleased to inform you that FIE offers once again to all European federations a subsidy for one fencer per country who will participate in:

- Senior European Championships which will be held in Dusseldorf in date of 17-22.06.2019;
- Senior World Championships which will be held in Budapest in date of 15-23.07.2019.

I have to inform the FIE by the indicated deadline that is why I kindly ask you for your confirmation whether your federation is willing to participate on these Championships. I need to receive your declaration **before 08.04.2019.**

Thank you in advance for your prompt response.

Best regards,
