April 15, 2019

Information Letter no. 12-2019

Dear Member Federations,

We are pleased to announce that the EFC COMEX has approved The EFC Calendar for 2019/2020 season.

For your convenience we have prepared this calendar with two versions. The first is traditional, second version contains all FIE tournaments, divided into age categories and weapons per each month. We will update the calendar by adding the U23 and U14 tournaments soon.

If any changes, due to random or organizational reasons are changed in the calendar, I will inform you immediately.

Best regards,

.....
