DT members of European Cadets and Juniors Championships 2018 in Sochi

Representatives of European federations (16):

BUL FIN FRA GEO GER GRE HUN IRL ISL ITA POL ROU SRB SVK SWE UKR

- 1) J. Kralik welcomed participants of traditional meeting with delegations coming to European Cadets and Juniors Championships and introduced also present members of EFC Executive Committee and DT members of those Championships. At opening the meeting he mentioned positive aspect of continuous increasing of participation of fencers in Circuit, where the total was reaching almost 9000 fencers on pistes in 2017-2018, whilst on the other hand new calendar policy of the FIE is creating big problems at preparing EFC Calendar for Cadets Circuit 2017 – 2018.

Discussed issues and decisions:

- 2) J. Kralik introduced proposal of A. Szetey (HUN), which says as follows:
 - a) If organizer is running competition on one day and the number of participants exceeds 150, then the formula should be that of FIE JWC, i.e. one round in pools followed by direct elimination. GER supported the proposal, no delegations presented objection – **proposal was adopted** unanimously. **Implementation from 2018-2019 season.**
- 3) J. Kralik presented proposal dealing with number of teams: it was suggested to give the right for the organizer of team events for limiting number of teams by two as an option. GER and ISL noted that in Cabries there were even 15 club teams despite EFC rules saying that the maximum of teams can be 5. ISL added that not only Cabries, but also: Godollo 6, Thessaloniki 8, Warszawa 12, Poznan 11, Cabries 9 (women foil) and some others. BUL supported to keep status. POL also supported status quo. FRA voted for status quo. SRB suggested considering possible economic obstacles on the side of organizers for limiting number of participants in team event – he was in favor of proposal. GER voted for status quo. HUN voted for status quo. GER underlined that limit of 5 teams is guarantee of quality.

Conclusions:

 - a) EFC Sport Director (SD) will send reminder of EFC Rules to all organizers where more than 5 teams participated in event.
 - b) Proposal of right for **limiting number of teams was rejected** by 12 votes. **Status quo in EFC CC Rules remains.**
- 4) J. Kralik presented another proposal: for team event the organizer can ask for entry fee maximum of 80 EURO against actual value of 60 EURO. **Proposal was rejected.**

- 5) Due to increased expenses for the EFC in connection with the project for evaluation of referees it is proposed increasing EFC license fee to 20 EURO. **Proposal was adopted.**
- 6) Considering important change of policy of the FIE regarding Calendar of competitions in 2018 – 2019, J. Kralik invited all concerned organizers for urgent and prompt indication of possible problems with dates in submitted Draft of EFC CC Calendar 2018 – 2019. That would allow finalizing that Calendar before end of Championships in Sochi. SRB, TUR, SUI and POL presented problems with dates proposed for their organizers.
- 7) J. Kralik presented idea for replacing current dates of FIE Satellite competitions by U23 in new season due to concentration of all FIE Satellite competitions in period of September-October 2018. That suggestion will be submitted for position to main organizers of U23 Circuit competitions: HUN, POL, ITA, GER, FRA and AUT. Also possibility of changing dates of U23 Championships for later time by end of season will be proposed to consider.
- 8) Winners of European Cadets Circuit Ranking 2017 – 2018
