November 19, 2019

### Information Letter no. 28-2019

Dear Member Federations,

It is with great pleasure to inform you that during the latest meeting of the Executive Committee held in Luxembourg we launched a new project – “**EFC Awards**”.

We are launching the first edition of the project during the EFC Ordinary Congress in Sep. 2020 and we intend to continue in the consecutive years.

With the purpose to appreciate the work and commitment of those who contribute in a particular way to the development of European fencing.

Introducing several awards in a series of nominations we are taking an effort to popularize fencing on social platforms and Internet. Such kind of initiatives encourage the attention of media and boost the overall engagement of the audience on- and offline.

In the attachment hereto you will find the general concept of the project.

Best regards,

Secretary General  
European Fencing Confederation
