### U-23 European Championships

August 12, 2020

#### Information Letter no. 18-2020

Dear Member Federations,

Due to the current state of the global pandemic COVID-19, the Czech Fencing Federation is forced to **withdraw from the organization of the U-23 European Championship in Liberec**. Given the fact that FIE and EFC are still working on finalising the FIE and EFC calendars for the new 2020/2021 season, the EFC Comex **has decided to cancel the 13<sup>th</sup> edition of the U-23 European Championships in 2020.**

Pursuant to the decision of the Congress in Dusseldorf, the 13<sup>th</sup> edition of European Championships was awarded to Vicenza (ITA) and will be organized between May and June in 2021.

Best regards,

Secretary General  
European Fencing Confederation  
  
Jacek Stupski
