INTEREST

- Tennis
- Basket-Ball
- Karting
- Piano
- French Pastry

I started fencing at 7 in the Lyon region. Passed by many clubs in my childhood, I found stability at the Nantes club (NEC Escrime). It allowed me to discover the high level and supported me in my training as a national referee and teacher until the diploma of Fencing Coach obtained in 2015. My teaching career took me away from Nantes to find work, first in Angouleme then in Orleans where I currently teach.
