**Cadet European Championships**

Dear Member Federation,

Based on the current situation surrounding the Covid-19 global pandemic and on additional arguments concerning mainly underage participation, problems with setting up an appropriate date and organiser, complicated procedures of safety conditions and security measures. Since this could lead to serious consequences, the Executive Committee has decided to cancel Cadet European Championships in 2021. The risk of proceeding with organizing the Championships exceeds a potential value for the EFC and for participating countries.

We hope to have a chance to conduct our remaining Championships later this season.

Warm Regards,

.....  
Jacek SLUPSKI  
Secretary General
