Composition of Commissions and Councils 2021-2024

Information Letter no. 22-2021

Dear Member Federation,

Following the information letter no. 19-2021 dated on September 14, we are delighted that 90 candidates from 29 of our Members submitted their applications to the several Commissions and Councils for 2021-2024.

Today the Executive Committee had its meeting mainly to select members from all candidates. It was a very difficult process, because a lot of professional, competent and skillful applicants were proposed, that is why the Executive Committee unanimously decided that all members who have not been selected, will be asked to closely cooperate with relevant Commissions and Councils in working groups which will be created to implement the development program declared by President Stanislav Pozdnyakov in his manifesto during the Elective Congress in Sochi.

Attached to this letter you will find a composition of all Commissions and Councils for 2021-2024.

Best regards,

Jacek SLUPSKI
Secretary General
