EFC Master List

Information Letter no. 23-2021

Dear Member Federation,

Following the information letter no. 15-2021 from August 18, EFC Executive Committee during last meeting approved the **EFC Referee Master List for the new season 2021/2022**.

Please let me remind you that referees selection process for European Championships in all age categories remains the same. We will continue nominating referees based on national federations' applications.

However the EFC Referees Commissions has the right to propose replacements to the EFC Executive Committee when the list of proposed referees does not guarantee appropriate and sufficient quality of refereeing during championships.
