

COACH –ÉPÉE (M/F/D) IN DORTMUND (GERMANY)

July 2022

The TSC Eintracht Dortmund is looking for a permanent fencing trainer in part-time position (up to 30h/week) with relevant qualifications for competitive epee fencing.

Place of employment:

TSC-Sportzentrum, Victor-Toyka-Str. 6, 44139 Dortmund, Germany

We are a successful sports club with a long tradition in épée and sabre fencing. Our fencing department currently has about 130 members, covering the entire spectrum of age groups. As a center for young talent sports of the German Fencing Federation (DFB), we have very good training conditions for the supervision of our club members. Many of our fencers are members of the state squad of the Westphalian Fencing Federation. The fencing department is part of the largest Dortmund sports club with 7,000 members in 31 departments (www.tsc-eintracht-dortmund.de).

Your profile:

- In addition to your qualifications, you are characterized by a high commitment and independence.
- You should have a license as a certified trainer or at least "Trainer B - Fencing" of the German Fencing Federation. A comparable foreign license will be accepted, if you are willing to acquire further qualifications.
- You have several years of experience in the sport of fencing, from training to competition supervision.
- With your distinctive communicative and training pedagogical skills you are able to inspire children and young people for the sport of fencing and focus on to accompany them individually.
- Good German language skills are desirable. With good English a transitional period for learning the German language is possible.
- You have a valid class B drivers license
