Information Letter no. 22-2022

European Games 2023/Senior European Championships 2023

Dear Member Federation,

Following the presentation made by Polish Fencing Federation during the EFC Ordinary Congress in Antalya, I would like to provide you additional and relevant details concerning European Games which will be held in Krakow (POL) in 2023:

1. European Games will be combined with Senior European Championships;
2. Date of the Event: 25-30.06.2023.
3. Rules and formula: based on FIE regulation – the same as for Senior European Championships.
4. Accommodation and full board will be arranged and covered by LOC for all accredited participants.
5. There will be an equal subsidy from European Olympic Committee to cover costs of air tickets for each fencer.

I will keep you updated about further steps.

Jacek Slupski
Secretary General
