

Epee Coach Full-Time Position in California, USA

Job Description:

Academy of Fencing Masters (California USA) is looking for a full-time epee coach. We are searching for a qualified coach, **ideally with some coaching experience in the United States**. A new coach will join a dynamic and vibrant community of coaches, students, and families.

Responsibilities:

A new coach will be responsible for running group classes, providing private lessons, running specialized clinics and camps, teaching and helping in outreach programs, communicating with fencers about their goals and achievements as well as providing individualized feedback, and strip coach fencers at competitions, from local and regional to national levels.

Qualifications:

Professional fencing coach with experience taking young kids to a highly competitive level.

Must have relevant coaching education and experience. Ability to communicate in English, at least at the Intermediate level.

Retiring international-level fencers with initial coaching experience are welcome to apply as well.

Compensation and Benefits:

- * Competitive Salary
- * Paid vacation
- * Full Medical Insurance for the whole family
- * 401k Pension Plan with company match per plan conditions

Application Instructions:

Please send an email to irina@academyoffencingmasters.com

Please include:

- Cover Letter with a brief introduction to yourself
- A detailed resume includes your professional background and results, education, and coaching achievements.
