

Name of Club/Organization Seeking Coach: Cleveland Fencing Academy

Location: Cleveland, Ohio

Organization Website: www.clevelandfencingacademy.com

Job Title: Foil Coach

Type of Position: Full Time

Preferred Start Date: immediately

Job Description: We are looking for Head Foil Coach

The program has around 60 foil fencers 6-16 y.o. and is growing fast.

With 6,500 sq.ft and 12 Olympic size strips, we are one of the largest fencing clubs between the coasts. In our 2+ years, our fencers have already attained high regional and national rankings. Some of the best coaches in the world (from afar) have helped put our program together, and now we need a head coach on site.

In addition, to improve mental and physical preparedness for our fencers, we offer footwork, strength, conditioning, speed and coordination classes.

On site, we have basketball, ping pong, chess, 4 bathrooms, full size womens and mens locker rooms, coaches lounge, and a full size parents waiting room with TVs and internet. We have a 25 foot movie screen and have lots of interactive evening activities throughout the year with parents and fencers.

We provide a very competitive compensation to allow for a comfortable lifestyle. We can help with housing and relocation.

Responsibilities:

- set the direction of the Foil program,
- coach the intermediate and advanced fencers,
- help overlook the beginner classes,
- train the intermediate coaches,
- oversee summer and winter camps,
- travel with the fencers to the important competitions,
- workdays - Sunday-Thursday (Friday and Saturday off)
- we do not work major holidays

Qualifications:

- competed at a high level, and/or coached at a competitive level,
- be a team player, and help with the running of the club, not just coach,
- speak English (or Russian, Ukrainian, or Arabic)
- if moving with a partner (husband/wife) who also is a (potential) fencing instructor, we can provide part time employment for an additional foil, epee, or saber coach
