EFC Master List – 2022/2023 season

Information Letter no. 25-2022

Dear Member Federation,

Following the information letter no. 23-2022 from September 8, EFC Executive Committee approved the **EFC Referee Master List for the new season 2022/2023**.

Please let me remind you that referees selection process for European Championships in all age categories remains the same. We will continue nominating referees based on national federations' applications.

However the EFC Referees Commissions has the right to propose replacements to the EFC Executive Committee when the list of proposed referees does not guarantee appropriate and sufficient quality of refereeing during championships.
