Composition of the EFC Commissions and Council

Information Letter no. 20-2024

Dear Member Federation,

We are pleased to inform you that following our information letter no. 19-2024 of September 23, we received 104 applications from 32 member federations for various Commission and Council positions for the 2024-2028 term. 102 applications were eligible 2 were rejected for formal errors.

In accordance with the statutes, each Commission Chairman has evaluated and recommended candidates based on comprehensive justification and thorough analysis.

The Executive Committee has reviewed these recommendations during its meeting and validated the new composition of EFC Commissions and Council for the upcoming term.

To enhance the EFC's future effectiveness, and to motivate high potentials, the Executive Committee has decided to invite promising young candidates who applied but were not selected for Commissions to participate in working groups. The presidents of the commissions were asked to make proposals to the Executive Committee for the upcoming meeting in Munich.

Please find attached the complete composition of all Commissions and Council for 2024-2028.
